The University of Alaska Southeast is a regional unit of the University statewide system of higher education. Established on July 1, 1987 with the restructuring of the former University of Alaska Juneau, Ketchikan Community College, and Islands Community College (Sitka), the University of Alaska Southeast serves the residents of Southeast with campuses in Juneau, Ketchikan and Sitka. The Sitka campus (founded as Sitka Community College in 1962) shares in Sitka's rich cultural heritage. Native Alaskans have lived in this area for 11,000 years, the Russian's made it their North American capital, and the Americans bought it from Russia in 1867. Mt. Edgecumbe, a dormant volcano, dominates the horizon across Sitka Sound. The Sitka campus awards workforce credentials, occupational endorsements, certificates and associate degrees.

“Promoting Wellness In Our Community” Sitka Counseling offers a variety of outpatient treatment services to assist adults, children, and families with behavioral health issues and substance use disorders. We also provide a variety of services for those persons who are experiencing disabling or long-term mental health problems. The diverse backgrounds, orientation, and specialties of our staff enable us to provide an individual approach to the problems that confront our clients. We offer comprehensive diagnostics and treatment for all members of the family.

♦**Emergency Services:** – Crisis intervention services can be accessed 24 hours a day by contacting staff at Sitka Community Hospital who will page the on-call clinician. 747-3241

♦**Child/Youth Program:** – This program serves children and youth under the age of 21 who exhibit severe behavioral, emotional, or social disabilities.

♦**Adult and Youth Services:**

**Prevention** – Adult/Youth Alcohol/Drug Information School (ADIS/Prime for Life) ADIS is a state approved prevention education component appropriate for individuals assessed as not meeting a substance abuse or dependence diagnosis. The course is designed to increase awareness regarding the effects of alcohol/drug use and to promote responsible behavior. ADIS instructors must be state certified to teach the class and deliver a state-approved curriculum regarding alcohol and drugs. The class consists of 12 hours of education and is typically delivered in three 4-hour sessions during a one week period.

**Comprehensive Assessments** – Each assessment includes an individualized interview regarding the client’s bio-psycho-social-spiritual history and functioning.

**Adult and Adolescent Alcohol/Drug Information School**

**Adult and Adolescent Outpatient Treatment**

**Low Intensity Residential Treatment – Mac’s Place/Mary’s Place** -Is a men’s and women’s level 3.1 substance treatment program, meaning it meets criteria for a ‘low intensity’ residential program.
